program that leads to a high school diploma, a foundation for higher education, and the job skills needed to enter the world of work. Empower-UD Team schools empower disconnected youth through individualized academic support, internships, and counseling so that they are prepared to be active, healthy, informed world citizens. Urban Dove envisions a world where all children receive the high-quality education and support they need and deserve. Through education, they will acquire the critical skills needed to develop into economically, socially, and emotionally independent adults who are empowered to create a more just and equitable society for future generations. This revision is proposed to be effective immediately.
