**Disclaimers**

For guidance related to Educator Evaluation plans, see NYSED Educator Evaluation Guidance. For a definition of terms related to Educator Evaluation, see the Educator Evaluation Glossary.

The Department will review the contents of each local educational agency's (LEA) Educator Evaluation plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in an LEA's plan.

The Department reserves the right to request further information from an LEA to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Each LEA is required to keep detailed records on file for each section of the currently implemented Educator Evaluation plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of an LEA's plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the LEA are for informational purposes only for the teachers and principals reviewed under this Educator Evaluation plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the Educator Evaluation plan approved by the Department. The Department also reserves the right to request further information from the LEA, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this Educator Evaluation plan are not true or accurate, it reserves the right to reject or disapprove this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

**Educator Evaluation Assurances**

Please read the assurances below and check each box.

Task 4. TEACHERS: Observations - Teacher Observations

---

Page Last Modified: 05/15/2023

**Teacher Observation**

The teacher observation category is made up of two (2) required and one (1) optional subcomponents.

The frequency and duration of observations are locally determined.

Observations may occur in person, by live virtual observation, or by recorded video, as determined locally.

LEAs may locally determine whether to use more than one observation by any of the required observers. Nothing shall be construed to limit the discretion of administrators to conduct observations in addition to those required by this section for non-evaluative purposes.

---

**Required Subcomponents**

At least one of the required observations must be unannounced (across both required subcomponents).

**Required Subcomponent 1: Observations by Principal(s) or Other Trained Administrator(s)**

At least one observation must be conducted by the building principal or other trained administrator.

**Required Subcomponent 2: Observations by Impartial Independent Trained Evaluator(s)\***

At least one observation must be conducted by an impartial independent trained evaluator.

Impartial independent trained evaluators are trained and selected by the LEA. They may be employed within the LEA, but may not be assigned to the same school building as the teacher being evaluated. This could include other administrators, department chairs, or peers (e.g., teacher leaders on career ladder pathways), so long as they are not from the same building (defined as same BEDS code) as the teacher being evaluated.

\* The process selected for conducting observations, including those conducted by trained, impartial independent evaluators, exists in perpetuity until a new plan is approved by the Commissioner. However, if your LEA applies for and receives approval of an Independent Evaluator Hardship Waiver for a school year, then the terms specified in that waiver application will apply for that school year only. Please note that independent Evaluator Hardship Waiver requests must be submitted and approved on an annual basis.

---

**Optional Subcomponent: Observations by Trained Peer Observer(s)**

If selected, at least one observation must be conducted by a trained peer observer.

Peer teachers are trained and selected by the LEA. Trained peer teachers must have received an overall rating of Effective or Highly Effective in the prior school year.

**Observation Assurances**

Please read the assurances below and check each box.

- Assure that the following elements will not be used in calculating a teacher's Observation category score and rating: evidence of student development and performance derived from lesson plans, other artifacts of teacher practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; and/or use of professional goal-setting as evidence of teacher effectiveness. Consistent with Subpart 30-3 of the Rules of the Board of Regents, assure that points shall not be allocated based on any artifacts, unless such artifact constitutes evidence of an otherwise observable rubric subcomponent.
- Assure that the length of all observations for teachers will be conducted pursuant to the locally-determined durations.
- Assure that at least one of the required observations will be unannounced.

**Number and Method of Observation**

At least one of the required observations must be unannounced (across both required subcomponents).

**Required Subcomponent 1: At least one observation must be conducted by the building principal or other**

Please also read the additional assurances below and check each box.

- Assure that if the LEA is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective; and, that in any school year for which there is an approved waiver, the second observation(s) shall be conducted by one or more evaluators selected and trained by the LEA, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator. See Section 30-3.4(c)(1)(ii)(a) of the Rules of the Board of Regents.
- Assure that if the LEA is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective; and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 4 of the LEA's approved Section 3012-d Educator Evaluation plan, the provisions of the approved waiver will apply. See Section 30-3.4(c)(1)(ii)(b) of the Rules of the Board of Regents.

Inter-rater Reliability

Inter-rater reliability refers to the extent to which different evaluators produce similar ratings in judging the same abilities or characteristics in the same target person or object. Within the context of educator evaluation, inter-rater reliability requires all evaluators trained in the observation process to reach independent consensus on observable behaviors to ensure the accuracy, consistency, and precision of the implementation of the chosen evaluation rubric(s). It also requires administrators to analyze and track educator evaluation data and ensure that observations are being completed with fidelity.

Select the option(s) below that best describe the process in place for maintaining inter-rater reliability.

Please check all that apply.

 Data analysis to detect disparities on the part of the evaluators

- Assure that the evaluation system will be used as a significant factor for employment decisions.
- Assure that teachers will receive timely and constructive feedback as part of the evaluation process.
- Assure that the following prohibited elements listed in Education Law Section 3012-d(6) are not being used as part of any teacher's evaluation: evidence of student development and performance derived from lesson plans, other artifacts of teacher practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; use of professional goal-setting as evidence of teacher effectiveness; any locally-developed assessment that has not been approved by the Department; and any growth or achievement target that does not meet the minimum standards as set forth in regulations of the Commissioner. Consistent with Subpart 30-3 of the Rules of the Board of Regents, assure that points shall not be allocated based on any artifacts, unless such artifact constitutes evidence of an otherwise observable rubric subcomponent.

Inter-rater Reliability

Inter-rater reliability refers to the extent to which different evaluators produce similar ratings in judging the same abilities or characteristics in the same target person or object. Within the context of educator evaluation, inter-rater reliability requires all evaluators trained in the school visit process to reach independent consensus on observable behaviors to ensure the accuracy, consistency, and precision of the implementation of the chosen evaluation rubric(s). It also requires administrators to analyze and track educator evaluation data and ensure that school visits are being completed with fidelity.

Select the option(s) below that best describe the process in place for maintaining inter-rater reliability.
