- NO, the LEA has not made changes to your approved ARP ESSER application.

2. Please provide an analysis of public comment for the updated American Rescue Plan (ARP) - Elementary and Secondary School Emergency Relief (ESSER) funding.

The District held several meetings with parents, teachers, administration and board members (7/1/21, 1/25/22,3/25/22,3/31/22,6/15/22) to discuss the different aspects of how the ARP funding will be used. The District concentrated on student learning loss and how to best address the learning loss with using the ARP funding. Comments included upgrading technology to ensure that every student could be reached. This also included reduction in class sizes to allow for more concentrated instruction. Special education and reaching out to students who have struggled in the last two years was also a primary focus. Targeted one on one instruction was also addressed.
