

The Department does not provide printed copies of the regular and translated edition of the Physical Setting/Earth Science reference tables. Schools are required to use the online editions to print sufficient copies to supply one clean copy of the reference tables to each student during the administration of the examination. Additional information, including the online editions of the [reference tables](#), is also available on the Department's website. Note that the Department will continue to provide schools with the braille and large-type editions of reference tables in the shipment of secure test materials.

Schools must also provide other materials required by students, such as scrap paper for Regents Examinations in English and science, and coordinate graph paper for students who need to change their work on graphs on the Regents Examination in Algebra I.

Use of Calculators

Schools must ensure that each student has the appropriate type of calculator specified below when taking a Regents Examination in science or mathematics.

When students enter the examination room, clear, reset, or disable the memory of any calculator with programming capability. If the memory of a student's calculator is password-protected and cannot be cleared, the calculator must not be used. Remove any applications that have been added to graphing calculators. Students may not use calculators that are capable of symbol manipulation or that can communicate. ETBT/2e.7 (c-6) (or)-6 (sL2 (ul)20)-13 (at)-1)2a t

- x Bilingual Dictionaries and Glossaries. ELLs may use bilingual dictionaries and glossaries when taking Regents Examinations. The bilingual dictionaries and glossaries may provide only direct translations of words. Bilingual dictionaries or glossaries that provide definitions or explanations are not permitted.
- x Simultaneous Use of English and Alternative Language Editions. For Regents Examinations for which the Department provides direct written translations, ELLs may use both an English and an alternative language edition of the test simultaneously. However, they should be instructed to record all of their responses in only one of the two editions. The alternative language edition used by the student should be so indicated on the student's answer sheet.
- x Oral Translation for Lower Incidence Languages. Schools may provide ELLs with an oral translation of a Regents Examination when there is no translated edition provided by the Department. This accommodation is permitted for State examinations in all subjects except English. All translations must be oral, direct translations of the English editions. Written translations are not allowed. No clarifications or explanations may be provided. Translators should receive copies of the English editions of the tests one hour prior to administration. The Department's Office of Bilingual Education and Foreign Language Studies (phone: 518-474-8775) and the Regional Bilingual Education Resource Networks (RBERNs) can assist schools in locating suitable translators. A list of [RBERNs](#) is available.
- x Writing Responses in the Native Language. ELLs making use of alternative language editions or of oral translations of Regents Examinations may write their responses to the open-ended questions in their native language. Scoring the tests is the responsibility of the school. However, the Department's Office of Bilingual Education and World Languages and the RBERNs can assist schools in locating persons who can translate the students' responses into English to facilitate scoring of the answer papers.

Former English Language Learners

Schools may provide the testing accommodations listed above under the heading "Administering the Examinations to English Language Learners" to Former ELLs who met the exiting criteria specified in Part 154-2 of the Regulations of the Commissioner of Education and were exited from English Language Learner status following their participation in one of the two most recent administrations of the New York State English as a Second Language Achievement Test (NYSESLAT). Such students either achieved an overall level of Commanding on the NYSESLAT, or achieved an overall level of Expanding on the most recent administration of the NYSESLAT and scored at Level 3 or higher on the New York State Grades 3–8 English Language Arts Test or earned a score of 65 or higher on the Regents Examination in English Language Arts.

These accommodations may not be provided to Former ELLs who achieved the exiting criteria through NYSESLAT administration more than two school years ago. [Additional guidance](#) on identification of Former ELLs is available on the Department's website.

Use of Machine- Scorable Answer Sheets

Schools must make arrangements for answer sheets and examination data processing services for all Regents Examinations. The Department does not provide answer sheets for any of the Regents Examinations. All schools are required to arrange to receive their answer sheets and examination data processing services from a Regional Information Center (RIC) or a large-city scanning center. The standardized scannable answer sheets provided by the RICs and large-city scanning centers are t

In order to preserve answer sheet quality for audit purposes, they should be scanned only once. If a school has appropriate scanning equipment, it may elect to scan the answer sheets provided by the regional scanning center and provide a data file to its scanning center in a format that is compatible with the center's data system. Schools must also ensure that students taking the Regents Examination in Algebra I have a ruler or other straightedge.

For each examination, distribute one answer sheet and one examination booklet, face up, to each student. Instruct the students to complete the heading on both the answer sheet and the examination booklet cover.

Before allowing students to begin the test, have them check the cover of the examination booklet and answer sheet to be sure.
